

HOW TO Measure, Fit and Determine The Right Ring Size

Be sure to print this PDF at 100%. Then, choose from the three accurate measuring methods as outlined below.

The Stealth Measurement

- BORROW a ring your beloved wears on the finger you are shopping for
- MEASURE by placing the ring on top of each circle shown here until you find a precise match.
- DOUBLE CHECK your measurement for exactness

The String Measurement

- CUT a small piece of ribbon or thread
- MEASURE by wrapping it snugly around your finger
- FIT around the finger should be neither too snug nor too loose.
- DETERMINE your size using the chart at right, laying the string or thread exactly on the line of the circle.
- TIP for best accuracy is to get assistance from someone to help you.
- DOUBLE CHECK your measurement to assure precision as best you can.
